The History and Archives Institute of the Russian State University for the Humanities Has Retrieved Its “Terem”

#### Abstract

The history of the Moscow Print Yard and Synod Printing House, now housing the Modern Institute for History and Archives Institute of the Russian State University for the Humanities is assessed in the article. It reviews stages of the 15-year-long struggle of the University for restitution of the edifice known as “Terem” or, more affectionately, “Teremok” (The Reviewing (Proofreading) Chamber), one of architectural monuments of the 16th century, an object of historical and cultural heritage of the federal (all-Russian) significance.

## Keywords

The History and Archives Institute, the Moscow Print Yard, the Russian State University for the Humanities, federal ownership, City of Moscow Cultural Heritage Committee, law actions.
