Hegumen Damaskin (Orlovskiy)

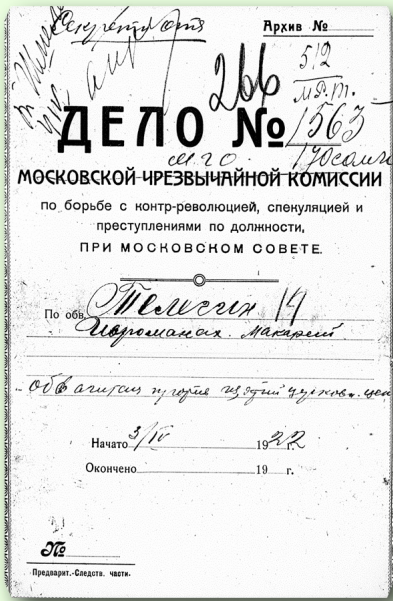

Judicial and investigatory case of celibate priest Makariy (Telegin) as source of personal information. 1922

### Annotation

The author on an example of judicial and investigatory case of celibate priest Makariy (Telegin) opens this unique source of personal information for research of the identity of new martyrs. In article the position of the top management of the country in an unbinding of repressions against clergy is shown.
