Source study analysis of first cinema about Russia and Mongolia relations. On documents of Russian State Archive of Cinema and Photo Documents

Annotation

The article is devoted to analysis of cinema sources about the House of Romanov and new state Mongolia government relations that was found in 1911 and was evolution in 1913. In modern Mongolia this theme is very actual. Thanks to this research was interpretation of the personnel that impress in film, dates of summits of the Mongolian embassy and the Russian imperial government are determined and RGAKFD explanatory notes replenished.
