Sources of tercentennial jubilee of the Romanovs' dynasty: source study analys

Annotation

A lot of different sources remained after splendid festivities of the Romanov dynasty tercentennial jubilee. After the 1917 revolution some of them were intentionally destroyed by the bolsheviks, still a great deal survived. The article represents an ultimate classification of sources (written, audiovisual, material, urbanistic) and develops themes based on these materials.

Keywords

Source, the Romanovs' dynasty, jubilee, tercentenary, tercentennial jubilee of the House of Romanov, Nickolas II, collective memory, festivities, ceremonial, sources, classification
