Kail M.V.

Sources about audit of the Smolensk diocese of 1907 and resignation of bishop Smolensk Peter (Drugov)

Annotation

The publication included documents from found of Synod office, personal found of Ober-public prosecutor P.P. Izvolsky, the Smolensk diocesan sheets, characterizing circumstances of resignation with one of bishops Russian Orthodox Church. Documents allow to present character of mutual relations and decision-making in sphere of church management. They allow to look in a new fashion at Orthodoxy development during the prerevolutionary period.

Епископ Смоленский и Дорогобужский Феодосий (Феодосиев) (1908-1918). Вестник архивиста. 2012. № 1.
